## WHAT WILL BECKS BUY FOR POSH OR ASHTON FOR DEMI? OK! TAKES A PEEK AT CELEBRITY CHRISTMAS WISH-LISTS

### VICTORIA AND DAVID BECKHAM

Above: What will David Beckham buy Victoria, the woman that has everything, this Christmas? The lucky lady needn't worry about finding any tangerines in her stocking, that's for sure!

Let's face it, when it comes to spoiling their nearest and dearest, our favourite celebrities have never needed much of an excuse to slaughter their credit cards at any time of year. There are endless reports of stars showering their loved ones with extravagant gifts galore – whether it's pink diamond handbags, day-trips to The Ritz or diamanté-encrusted cufflinks – and Christmas is the time of year to go even crazier. As the holiday season beckons, those faces in the spotlight can enjoy some much-needed downtime from hectic schedules and do normal things like decorating the tree and Christmas shopping. As celebrities both here and across the pond fight the crowds and take on the department store circuit along with the rest of us, *OK!* takes a guess at the extravagant gifts our favourite household names may be presenting each other with this festive season...
